## Upcoming Events

- FEB. 14<sup>TH</sup> VALENTINE'S DAY PARTY
- FEB. 23<sup>RD</sup> END OF 2<sup>ND</sup> TRIMESTER
- FEB. 26<sup>TH</sup> NO SCHOOL (PROFESSIONAL DEVELOPMENT DAY)

## Reminders

We have started Rocket Math. It is a Math fact fluency practice. Everyone starts with easy facts and once they have made a 100 on that they move up to the next set of facts. I will be adding a math fact sleeve to your child's folder for practice at home. I suggest working on it 2 nights a week.

## Our Learning

**Spelling**  
Work on the words from your child's folder. They should be located in the pouch where the guided reading book is and they will be on that brochure.

**Reading**  
DRA level 14, substitutes sounds, List B 50 sight words, ending consonant digraphs, ending consonant blends, compound words and daily reading

**Math**  
Place value, write to 100, compare & order #s to 100, counts to 100 by 5s, 10s, 2s, 10 more or 10 less to 100, fluency in subtraction up to 12, even & odd & fractions.

## Homework

**Nightly**  
Read guided reading book & sign log nightly (just a reminder that the log is for a letter grade).

**Practice at your convenience**  
Read library book, practice sight words (although I would prefer that these are done every other night) And count to 100 and write to 100 in your folder on the plastic sleeve.
