Reminders

We are going to start doing the spelling words a little differently. Each Monday We go over different chunks in words and this week we are doing the (-ing) chunk. The class works together to come up with real words with the chunk in it. I let the whole class pick what spelling words they would like to have on their spelling test. They wrote those words down in the spelling brochure. Please have your child do their spelling brochure at home for practice on those words.

Our Learning

Spelling

Work on the words from your child's folder. They should be located in the pouch where the guided reading book is and they will be on that brochure.

Reading

DRA level 14, substitutes sounds, List B 50 sight words, ending consonant digraphs, ending consonant blends, compound words and daily reading

Math

Place value, write to 100, compare & order #s to 100, counts to 100 by 5s, 10s, 2s, 10 more or 10 less to 100, fluency in subtraction up to 12, even & odd & fractions.

Homework

Nightly

Read guided reading book & sign log nightly (just a reminder that the log is for a letter grade).

Practice at your convenience

Read library book, practice sight words (although I would prefer that these are done every other night)
And count to 100 and write to 100 in your folder on the plastic sleeve.
