## Reminders

The class is getting the case of Spring Feveritis....could you please talk to your child about being on their best behavior at school and to listen to their teacher and that they still have learning and work to do. . I'm sorry to have to mention that to you but, I think it would help if it came from you too.

We are attending the middle school play on Thursday. Could you please send \$2 between now and then for the play.

## Our Learning

### Spelling

Work on the words from your child's folder. They should be located in the pouch where the guided reading book is and they will be on that brochure.

### Reading

DRA level 18, deletes beg/end sounds, long vowel silent e, long vowel digraphs, closed multisyllabic words, 95/100 list B sight words, contractions, daily reading

### Math

Writes #s to 130, tell time to the hour & half hour, identify coins & count same coin sets, measurement, graphs & data interpretation, fractions.

## At-Home Practice

### Nightly

Read guided reading book & sign log nightly (just a reminder that the log is for a letter grade).

### Practice at your convenience

Read library book, practice sight words (although I would prefer that these are done every other night)  
Practice the addition facts that are in a plastic sleeve in the folder.
